AN ENDLESS JOURNEY OF SEVAA

AtmanoMoksharthamJagatHitaya Cha (आत्मानोमोक्षार्थमजगतहितायच), which means “for the salvation of our individual self and for the wellbeing of all on earth (Rig-Veda)”, once taken by Swami Vivekananda as the motto of Ramakrishna Mission has also been adopted by SEVAA in contextual approaches:

- *Do whatever you can for welfare of the suffering community of Bengal as well as India*
- *And feel Happiness as well as enjoy Ananda from observing those dormant possibilities being manifested gradually.*

In the idea of welfare of the suffering community, Swamiji's vision of nation building is reflected. It resonates the sense of equity, peaceful co-existence, fraternity and resilience on one hand and on the other, area-specificity, integration of problems in a holistic action plan and nonstop journey to fulfillment even through failure.

Details about the Journey Of SEVAA from formation, to the inception of Vivekpally, to the construction of the Tilka Murmu SEVAA Vano Vidyalaya – to be added in this pack later

THANK
YOU
